Customer Reviews

I love eating Tapas. It is one of my favourite types of food to have, all the little dishes mean that you

get so much variety. The recipes in this book were perfect for me. I loved the anchovies in vinegar and will definitely be making those again. As well as the garlic prawns! The recipes in this book were easy to follow and not packed full of ingredients making it hard to do. If you are looking for smaller meals that will fill you up just the same and provide variety and great flavours then I would love this book a try, I wasn't disappointed and I don't think you will either.
