TIME The Beatle Invasion!: The Inside Story Of The Two-week Tour That Rocked America

Synopsis

The Beatles' first excursion to the United States, from February 7 to February 21, 1964, was an epochal moment in American culture. It was a musical earthquake that defined music going forward and a cultural youth quake that defined generations to come. That fourteen day window not only solidified the Beatles' careers, it reshaped our culture, and nothing thereafter was ever the same. It was as if someone flipped a switch, and from February 7 on, the Beatles dictated how we looked, felt, thought, and acted. Now, Bob Spitz, the New York Times bestselling author of *The Beatles: The Biography* takes readers through those dizzying four days - from "The Ed Sullivan Show," to Carnegie Hall, you get a sense of how America fell in love with the Beatles and moved from the button-down Eisenhower era to the go-go Sixties almost overnight.

Book Information

Hardcover: 112 pages

Publisher: Time (January 7, 2014)

Language: English

ISBN-10: 1618931148

ISBN-13: 978-1618931146

Customer Reviews

Bob Spitz is an American journalist and author best known for his celebrity biographies, including the New York Times bestseller *The Beatles: The Biography*. Articles by Spitz appear regularly in the New York Times Magazine, GQ, Conde Nast Traveler, Men's Journal, InStyle, Esquire, and The Washington Post. Bob Spitz has spent almost nine years researching and writing about the Beatles and is an expert in this field.

I know what was the USA invasion because it was my era, but the youngs of today this is the perfect item to fully understand what was the Beatle Invasion!!!

Fascinating books with information that wasn't in many other Beatles histories!

Great text - and wonderful photos and definitely a worthwhile addition to your Beatles library.
Everything you need to know about that fateful excursion.

Reminiscing for those that grew up in the famous era with the fantastic 4.....The Beatles

Excellent book on the Beatles complete with pictures and narratives from Liverpool to the present time. Good price and convenient size.

Wonderful memories and fun times

Really interesting book. Arrived on time.

great articles and I loved the pictures.
