# Volkswagen Bay Transporter Restoration Manual: The Step-by-Step Guide To The Entire Restoration Process (Restoration Manuals)

## Synopsis

Using the trusted Haynes practical approach, this all-colour manual follows the restoration of a 1971 Panel van and a 1979 Devon camper from beginning to end. Featuring hundreds of photographs and helpful diagrams where necessary, this is the only guide to restoring (or part-restoring) a "Bay" you will ever need.

## Customer Reviews

Even the rustiest examples of Volkswagen's second-generation "Bay"™ Transporter fetch solid money and imports from drier climes continue to appear on British roads, so the case for restoring one of these hugely popular vehicles is increasingly attractive. Using the trusted Haynes practical approach, this all-color manual follows the restoration of a 1971 Panel van and a 1979 Devon camper from beginning to end. Featuring hundreds of photographs and helpful diagrams where necessary, this is the only guide to restoring (or part-restoring) a "Bay"™ you will ever need.

Fletcher Gillett runs a small business repairing and restoring VW Transporters and other vehicles, with bodywork and structural repairs a speciality. He has contributed magazine articles and maintains a presence on VW forums where fellow enthusiasts can follow his restoration work. He lives in Brighton.

This is an excellent book. It gives you step by step to restoration and is very easy to follow. Even if

you are not restoring it is an interesting book to go through.

Great book, very helpful throughout my restoration.

Adequate description fast dispatch!!!

Excellent

This will be very useful as my 1970 Westy is in need of much attention

As advertised, if your rebuilding a VW Transporter this a very vauable book.

useful to have around the shop

Perfect for the job!
