Customer Reviews

By Ian R. Tizard - Veterinary Immunology: An Introduction: 8th (eighth) Edition

I ordered this trxtbook for my veterinary immunology class. It is the old edition so I saved about a hundred dollars. It worked fine. I wouldn't be too concerned about getting the older edition. I'm sure it's missing some more current info but as a doctor you'll be going to the research for current topics anyway, not dusting off some old book from medical school.
