# Understanding Your Endowment

## Synopsis

Most books on the LDS temple are either too general to be very helpful or too scholarly and esoteric to appeal to most Church members. This volume is different. Based primarily upon the scriptures, *Understanding Your Endowment* explores the meaning of the temple endowment in our daily lives. Coming to understand our own endowment is a personal, sacred journey--one largely between us individually and the Lord. No one, other than the Lord, is really qualified to unfold everything. Part of the beauty of the temple's ordinances and teachings lies in the fact that the Lord can personalize them to whatever stage we are at in our individual growth. The path to understanding requires time, effort and experience. Sometimes it may seem a bit overwhelming. We may need some help, or at least a foundation from which to begin. The intent of this book is to help lay that foundation and enrich your temple experience. It is written for believing Latter-day Saints who would like to better understand their own endowment.

## Book Information

Paperback: 160 pages

Publisher: Cedar Fort, Inc. (August 11, 2015)

Language: English

ISBN-10: 1462117430

## Customer Reviews

"I really enjoyed this book, much more than I have any other book I have read that attempted to discuss the temple." -The Exponent"Appropriate, light filled, truth filled, testifies of Christ and His goodness, testifies of the Holiness of the Temple, helps us understand the purpose and real meaning of covenants, and is, truly, a treasure; a gem." - Heidi Allen Garvin, Mormom Moms Blog"

"I really enjoyed this book, much more than I have any other book I have read that attempted to discuss the temple." -The Exponent"Appropriate, light filled, truth filled, testifies of Christ and His

goodness, testifies of the Holiness of the Temple, helps us understand the purpose and real meaning of covenants, and is, truly, a treasure; a gem." - Heidi Allen Garvin, Mormom Moms Blog --.I believe that every member should read this. Whether you have attended the temple once, many times or are going for the first time, this will give you a better understanding of the endowment. In order for us each to grow this understanding is essential to us all. --This is a wonderful, well-written book. After reading I ordered one for each of my children. It is an enlightening look at our endowment and helps us better understand our covenants and how we can apply our temple experiences to truly help us live a life worthy of the blessings we receive in the House of The Lord. --

I believe that every member should read this. Whether you have attended the temple once, many times or are going for the first time, this will give you a better understanding of the endowment. In order for us each to grow this understanding is essential to us all.

This book is a great resource for members of the Church of Jesus Christ of Latter-Day Saints! It explains clearly and plainly covenants and promises we make in these holy houses of God. The author keeps the information appropriate and did a great job explaining the messages using scripture, the words of modern day prophets and apostles, and personal experience. He keeps sacred the information that needs to be kept sacred and not discussed outside of the temple. This book came to me at a perfect time as I have been working to gain greater light and truth. I also read Robert Millet's 'Men of Covenant' before this book which helped prepare me to better understand this book. This book opened my eyes to clearly see things I was beginning to see. It also humbled me in helping me to realize that there is so much more to learn. I have read the book once so far and am now going to read it again at a slower pace to soak in the information and do the homework.

Thank you, Cory Jensen, for writing this very inspiring book. It has answered many questions that I have had about some gospel principles and Ordinances. It has given me new perspectives to ponder and pray about, as well as a greater understanding of the covenants I have made. To others who are planning to attend the temple for the first time as well as those who have already been to the temple, I recommend reading this book to gain a greater understanding of "what more is there?" and to help enhance your temple worship.

Focuses mostly on idea of covenant relationships. Has some very good insights in it. I thought it

was very helpful. Only reason I marked it down is because I was looking for more on each of the levels of covenants we make. It gives quite a bit of historical/scriptural background.

It was so enlightening, while being extremely careful not to divulge anything too sacred. I really loved this book and would recommend it to anyone who is longing to make their temple experience more profound.

The endowment has so many facets and meanings. I learned from this book some other ways to understand it's symbols, but also, and especially, what must I change in my own heart to receive the gifts my God is offering in his house.

For me, a great book. I hope and pray that you have the same experience. I found Chapter 6, 'Application in Your Life' particularly helpful. The scriptural references and 'homework' at the end gave me food for thought, as I read and reread this chapter. As much as I have learned from reading scriptural people and prophets' interactions with our Savior, I know that my personal relationship with Him needs to be more fully developed and strengthened. This book has helped me realize more ways I can do that.

Full of helpful, motivating insights. I've been rereading and pondering the things I learned from this book. My temple worship has been changed and become more meaningful because of it. More importantly, so has my life,
