# Community Practice Skills Workbook: Local To Global Perspectives

## Synopsis

Designed to accompany the comprehensive and exceptional Community Practice Skills: Local to Global Perspectives, this workbook enhances the discussion of skills and competencies for community practice. Featuring direct exercises, project ideas, and role plays, this workbook contains a range of activities that focus on a host of practice and theory issues designed for use in class groups, field settings, and career practice. Crafted by leading social work practitioners and informed by the student perspective, the Community Practice Skills Workbook shows how to analyze and synthesize new knowledge and effectively incorporate new skills into ongoing practice. The workbook is intended for a variety of MSW/DSW graduate courses and higher level undergraduate (BSW) courses, especially those that focus on community practice and development. It also applies to programs specializing in more general methods of macro social work.
