PERT Study Guide: PERT Exam Review For The Florida Postsecondary Education Readiness Test

Synopsis

Trivium Test Prep's PERT Study Guide: PERT Exam Review for the Florida Postsecondary Education Readiness Test offers: Our PERT study guide is updated from our PERT test 2015 study guide with a detailed overview of what you need to know for the PERT 2016 study guide, so that you know exactly what to expect. Trivium Test Prep's PERT test book also covers all of the subjects over which you will be tested on the PERT test. Includes 100 PERT practice questions for the best PERT exam prep. Trivium's PERT exam book also offers test tips and strategies to help you score higher on for the PERT test 2016. Trivium Test Prep's PERT Study Guide: PERT Exam Review for the Florida Postsecondary Education Readiness Test covers: PERT Reading, PERT Mathematics, PERT Writing. And includes two PERT practice tests. About PERT Testing: The PERT is a computer adaptive test established to determine whether a student is prepared for college level coursework. If a student does not meet the minimum required score set by the state, it's an indication that the student needs more academic preparation. The high school is then required to provide postsecondary preparatory instruction. All students enrolled in public high school in the state of Florida are required to take the PERT in the eleventh grade. The PERT tests students' abilities in math, reading, and writing. The test directly tests for competence for intermediate algebra and freshman level composition. The PERT is not timed, and each section has thirty questions. Scoring: The PERT is not a test to pass or fail; it's used to determine the best academic path toward college for students. It's important for students to take the PERT seriously (even though it isn't graded) to ensure they are placed in the most appropriate classes. The PERT is scored by section in a range of 50 to 150, with "cut scores" throughout (so students will get three different scores). There are three or four tiers (depending on the section) of cut scores to determine what level students are currently at. About Trivium Test Prep: Trivium Test Prep's study materials are created by industry and educational experts. Other PERT test prep book study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium's PERT exam prep is different. Our dedicated professionals know how people think and learn, and have created our PERT exam study guide based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our PERT test study guide are specifically tailored for your exact needs. Trivium Test Prep offers: PERT Test Prep book that brings the heat. PERT Exam study guide that is new standard. PERT Exam prep that helps you

dominate the competition – The PERT Study manual that raises the bar – The PERT Review book that will help you win – The PERT Practice test questions that are similar to what you will see on test day – The PERT Study guide 2015-2016-2017 that you need to help you ace your exam and get your certification

Best Sellers Rank: #232,009 in Books (See Top 100 in Books) #60 in Books > Education & Teaching > Test Preparation > College & High School > High School Entrance #1033 in Books > Education & Teaching > Studying & Workbooks > Study Guides #2054 in Books > Textbooks > Test Prep & Study Guides

Customer Reviews

This is an awful study guide. Formulas are wrong (specifically the formula for slope), answers are wrong, and there are several typos. The reviews are inadequate and don't cover the things in the practice test. Waste of money!

How can you study for this test when the study guide is riddled with typos? Unacceptable. Typos in the study guide leave me worried the test will be the same.

This book does offer some good examples for the problems that are provided and the tests are helpful. However, on some of the more difficult math questions they could go more into depth about how to solve them and how to identify the problem's solution.

I bought this study guide for my wife. She has medium set skills in English and she's preparing for the PERT exam to start taking College courses. She really liked the book and mentioned is being quite helpful specially in the Reading portion using the techniques described in the guide which are

helping her out a great deal. She would have liked to have seen a few more exercises per reading sections.

This material helped me a lot of knowledge which I got long time ago. But, there was only a very small mistake appeared on page 19: that was $(X:Y)^*=X^*:Y^*$. I think it is letter "a" instead of letter "b".

this book is really good and help me refresh my math knowlodge and get better results in Pert.

This book is great! Wish me luck!

It Helping me a lot
