Hidden Goddess (Shadows Of The Immortals Book 4)

Synopsis

Talk about out of the frying pan and into the fire. Jake, the man of Lexi's dreams, is trapped in the underworld. Only Hades can free him, but Hades is missing, presumably a captive of the shadow shapers. Lexi wants nothing more than to free both of them, but the shadow shapers have hidden their tracks well. She has no idea where to start looking for the missing Lord of the Underworld until a visit to Death himself reveals vital information. Finally Lexi has a target, but this will be no ordinary rescue mission. In a faraway city, she must face the shadow shapers on their home turf. She is the only hope for Jake and Hades, but there are too many gaping holes in her memory, too many things she doesn't know. And some of them are about to come back to bite her big time.

Customer Reviews

Good read and wonderful characters did not want to put the book down!

I wish I could give 10 stars! What an awesome continuation of this series! I so didn't see the twist coming but now it is starting makes sense! All I can say is I loved it from start to finish and can't wait for the next book to come out! Keeping my fingers crossed that certain things, say a fire shaper, will work them selves out! I'm talking to you Jake!

There are a few answers and a lot more twists in this one. Once again my mythology knowledge was tested. Nearly had leaking eyes at one point when my favorite puppy was in deep trouble. Can't wait for Book 5 and what is happening next!

With each book in the series the author has gotten deeper and more secrets come out. This book definitely revealed some secrets wasn't expecting at all. Way to go Marina Finlayson! Not many authors keep me guessing, but you did and so worth the wait. I honestly can't wait for the next book and look forward to more twists and turns that lead us to the answers.

Kudos to Marina for another book well done! Another fast paced, thrilling long awaited book that did not disappoint. Laughter and suspense with return of my fave characters that I cannot get enough of :) Read the book and find out why I love this series so much! (high 5!)

I am loving this series. I "accidentally" read this one in one sitting. Fast paced, clever, and oh so enjoyable. Very easy to immerse myself into this world, much harder to emerge at the other end. Clever use of Greek mythology (she knows her stuff). Disclaimer: I received a free copy in exchange for my honest review. And I honestly loved it!

I'm a big fan of this series and I've loved every word from the start. The characters are well written, with real problems and are people you can relate to. The ending had me wanting to shake a certain person but I can't wait for the finale!

More intuitive and action to find Hades and solve the mystery. Me characters join Lexi on her adventures offering a different aspect. I read it in one seeing didn't want to stop. Now i want the next book. Have fun reading
