Fairly decent picture book, but has a lot of uninteresting and unimaginative photos in it. Too many close-up photos of indoor memorabilia which you would expect to find in any book on museums, as well as other similar-minded pics. It seemed more like Bucks-County-in-a-bottle rather than a fresh-eyed picture book doing justice to its subject.

Amazing photos by a master of travel photography. Brings to light a beautiful place with amazing pictures!

I was thrilled to find this book at my chiropractor's (Ron Maltz- Lahaska) last week! It's a great photographic tour of our area. Bob captured what we really see when we live here. I was especially excited to see the aerial of Twin Silo Farm- an often unheard of part of our landscape! What a treat! Thank God for people like Bob Krist to do something to preserve what matters to our landscape vs. these build another McMansion types.....

Simply lovely photos - but to see Bucks County in person - is to know true Beauty.
