# Greece: The Peloponnese: With Athens, Delphi And Kythira (Bradt Travel Guides)

## Synopsis

This fully updated and extended edition of the only in-depth guide available to the Peloponnese reflects the latest changes, notably a continuing trend towards independent travel in the region. Despite Greece's difficulties, tourism here has increased year on year, notably in the Peloponnese where the extended season now includes spring wildflowers and the autumn olive harvest, all covered in this guide. New accommodation and restaurant reviews are featured, along with a new mini-guide to the ancient sites of Athens and Delphi. Also new for this edition is coverage of the island of Kythira, one of Greece's best-kept secrets, plus more information on regional wines and family travel. The Peloponnese is the beating heart of Greece: from the evocative ruins of Olympia to the towering Taygetos mountains, from crystal-clear seas and pristine beaches to stone villages steeped in tradition; with clear advice and honest opinions the Bradt Guide to the Peloponnese shows you it all.

## Customer Reviews

Wander this part of Greece with an old curmudgeon who obviously loves the land and will lead you to all sorts of wayward spots. I would have liked to see more history as well as rooms for rent!

pretty good guide, although not enough maps for me. overrated Nafplio, but otherwise had pretty good advise.
