JAMIE WOOD has formally practiced various forms of Wicca for more than ten years, and strongly identifies with the faery tradition. Jamie leads workshops, lectures, and retreats on manifesting the

Divine and earth-based spirituality in everyday life. She is the author of THE TEEN SPELL BOOK and THE WICCA HERBAL and the coauthor of THE WICCA COOKBOOK. Jamie lives in California with her husband and two sons.

My niece loves this book! I was hoping for something with more easy ideas for kids, this seems like more of an adult book; but like I said, she loves it!

Bought this for my daughter. She loves it. I went through it before giving it to her. I like it as well

This book isn't only awesome for teens starting out, it is also great for those who don't have a whole lot of money to spend on items for spells. I actually thought this was one of the books that I ordered for myself, and then realized it was one I ordered for my daughter. I do plan on ordering another one just for me.

Packed full of general reference info for learners and a lot of cute spells for the worries of a teen! I think it's so neat and I wish I had this book when I was a teenager!

Perfect for my 11 year old who I don't want to get in to this sort of thing but, let her imagination run wild... not demonic like other books I've found like this.

This book is really good. It is a book I would recommend for any teen. Lots of great information about spirit and really beautiful. I'd say the title is a little hokey and the book is just really great. Highly recommended for a teen who is interested in alternatives to traditional religion.

I love this book! I am new to Wicca and this book really helped me get started. It taught me how to do the spells, not just gave me the spells. I also recommend The Enchanted Dairy by the same author. It really helped as well. I was sorta confused what to do to start, this was a wonderful start.

I bought this book for my son, who has been interested in Wicca for some time. It is a wonderful book. It gives background and information on many area of Wicca as well as some spells.
