Paris

Synopsis

Paris is the City of Light, love, and savoir vivre. And this world-class capital is surely one of the planet's most photographed destinations, whether by tourists snapping a quick souvenir shot or professionals with high-end cameras. The brief preview we provide here shows how special this city really is. Paris has never been showcased as impressively, meaningfully, or dramatically as it is by the French photographer Serge Ramelli. His vision of the city--like all of his images--is unmistakably inspired by cinema. In addition to his second passion, filmmaking (which he does when he's not taking pictures), he is also fascinated by the films of Jean-Pierre Jeunet and Ridley Scott. Ramelli's interpretation of the bustling metropolis of Paris is at once impressive and fabulous. Pulsing with life both day and night, the city appears nearly devoid of people--a heavily symbolic place with many facets to explore, shining with an inimitable light.

Customer Reviews

This book is fantastic. Serge Ramelli is a fantastic photographer. As a lover of Black and White photography this book fit the bill. This book is wonderfully printed so Serge's photographs are wonderfully displayed. He also has a similar book on New York City. BTW, The photos were taken at fantastic places in Paris so it's a nice visit of Paris without having to travel there!!

Beautiful book, high quality, lovely images.

Beautiful book on my marble coffee table in my living room. Comes with a very high quality dust jacket also. Love it.

Beautiful photos gorgeous coffee table book for any lovers of Paris, stunning.

Absolutely beautiful book! Top quality! If you are interested in Paris you must buy this book!

omg this book is gorgeous, def worth it

This book is beautiful. I wish there were more European cities from this photography. We travel quite a bit and I love to buy a book while either in the city or when I return home. We have been to Paris many times and this is the perfect reminder of our trip. The size is great and the beautiful black and white cover is simple and clean. Looks great stacked with other books. Definitely a great buy and a great size.

beautiful pictures, exactly as I expected...
