### Customer Reviews

This book is a really great Garfield book and it is so funny I could not put it down.

The "Garfield Goes to His Happy Place" book was, as always, a delight to read and enjoy. These books have brought much humor and enjoyment to both my husband and myself. I would highly recommend this series of books to anyone who enjoys the Garfield comics in the daily newspapers or who has enjoyed the Garfield movies.

I always have loved Garfield, and I love the new book one thing that I don't like is that the author used scenes from other books and put it into this book

Not as funny as I was expecting.

Its Garfield and Jim Davis - is there anything really more to say? You don't have to own a cat to appreciate the great humor, whimsy and joy of reading Garfield Garfield is and always will be one of my favorites Thank you Mr Davis

It's Garfield, it's funny. What else needs to be said?

What can you say about Garfield. He's the fat cat that loves lasagne' and tormenting his faithful companion Odie. I don't believe we'll ever tire of reading about his next lazy day adventure.

#funny death machine ooh ooh gulp Garfield!!! danced sporting goods stores are not going out with a while tonic wetsuits
