Financial & Managerial Accounting (Irwin Accounting)

Synopsis

Financial and Managerial Accounting: The Basis for Business Decisions continues to offer a solid foundation for students who are learning basic accounting concepts. Known for giving equal weight to financial and managerial topics, the authors emphasize the need for a strong foundation in both aspects of accounting. Hallmarks of the text - including the solid Accounting Cycle Presentation, managerial decision making, relevant pedagogy, and high quality, end-of-chapter material have been updated throughout the book.
