## Customer Reviews

It is wonderful to have access to these 7 books at my fingertips. Charles Fillmore's writings are a wealth of wisdom.

Charles Fillmore is brilliant , I love his work , this is an excellent compilation .

Great book, great author, delivered on time, and in good shape. Would recommend.

A great collection of writings from a prolific writer in the area of New Thought.

I have been a Unity student for most of my life and have been blessed by Mr. Fillmore's writings. I was happy to find seven of his works in one place. Great, great buy and highly recommended.

Fillmore was an eloquent 19th early advocate of the New Thought movement. His teaching inspired Ernest Holmes and Raymond Charles Barker, and they in turn inspired Louise Hay. I found it fascinating to read Fillmore's writings here, still insightful and well worth the investment of time and effort.
