Customer Reviews

Hilarious book, but thought It would have been hysterical if I left it in an Anger Management waiting room. Really liked it.

Mandalas, Mandalas, Mandalas and WAY LESS STRESS :) Amazing curse words.

Didn't even know some of these phrases existed, so funny

Such a nice coloring book. A lot of important information has been gathered in this book. I was actually impressed by how much useful information is squeezed in such a short book. Such an excellent book. Author has described every single thing very clearly with some proper explanations. Such an excellent book. Highly recommended.

This Mandala Curse Words Coloring Book for Adults is filled with 50 rude and very swears pictures to color. Each print is uniquely designed for all skill levels, some easy for quick results, some a little harder when you are more stressed. But I really believe that it can move your stress away. Because it works on me perfectly. I just fall in love with this book.

Best coloring book with a very unique collection of designs.. This book makes my painful times to a happy times..good time passing book ever ..

I truly cherished this shading book. The representations are dull and fresh and the punctured pages makes them simple to expel for shading and surrounding. I certainly suggest this book since it is so unwinding and the pics are cool.

I really loved this coloring book. The sketches are dark and crisp and the perforated pages makes them easy to remove for coloring and framing. I definitely recommend this book because it is so relaxing and the pics are cool.
