Snowball (The Puppy Place)

Synopsis

Welcome to the Puppy Place--where every puppy finds a home! Charles and Lizzie Peterson are very good with puppies. They want one of their own, but their mom isn't ready for them to have one full time. For now, they help take care of puppies that need to find a new home. They are a foster family for young dogs. The Peterson kids hear about Snowball. Someone left the fluffy puppy all alone at a gas station in a tattered, old box. Snowball is sick and hungry. He needs a family of his own. Can Charles and Lizzy find one that is just right?

Ellen Miles loves dogs, which is why she has a great time writing Puppy Place books. And guess what? She loves cats, too! That's why she came up with a brand-new series called Kitty Corner. Ellen lives in Vermont and loves to be outdoors every day, walking, biking, skiing, or swimming, depending on the season. She also loves to read, cook, explore her beautiful state, play with dogs, and hang out with friends and family. Visit her web site at www.EllenMiles.net.

My Grandson who is 8 yrs old and has Autism loves these books. They have been easy for him to read and he really gets interested in them, and asks a lot of questions about dogs. I have a Cairn Terrier named Rocket that he adores and tells everyone that Rocket is "kind of his dog" and Rocket

loves him just as much. His love of Animals is a very rewarding trait. These books keep him in touch with this love he has for dogs.

The Puppy Place series of books is my son's (9year old) favorite series of books. He is reading the entire series this year for monthly book reports. The stories are very cute, easy to read, and based on of course, cute puppies. You can't judge a book by it's cover (they say) but in this case...you can as of course, young ones do look for cute covers and this is a great match. I highly recommend this series for both boys and girls as it is not gender specific and great for all those puppy lovers!

My daughter enjoyed the story.

AMAZING I guess I need more words so AWESOME GREAT UNBELIEVABLY GOOD ASTRONOMICAL and of course the BEST BOOK EVER

This is a sweet book. Excited to read more of the series with my 7 year old. She loves it!

My granddaughter enjoyed this book. We had Westies and the dog on the cover is a Westie puppy.

Excellent books for the dog lovers in your family!

These books are wonderful children's books. They have a good story line and are a great example of the variety in personalities in animals and people. Good, clean reading.
