Josephine: The Dazzling Life Of Josephine Baker

Synopsis

In exuberant verse, Patricia Hruby Powell creates an extraordinary portrait of the passionate performer and civil rights advocate Josephine Baker, the woman who worked her way from the slums of St. Louis to the grandest stages in the world. Meticulously researched by the author, Josephine's powerful story of struggle and triumph is an inspiration and a spectacle, just like the legend herself.

Best Sellers Rank: #165 in Books > Audible Audiobooks > Children's Books > Biographies & History #165 in Books > Audible Audiobooks > Children's Books > Nonfiction

Customer Reviews

A great way to educate on black history in America. Highly recommended

Beautiful, informative book that will give a new (or new-found!) respect for the subject matter. I loved it so much, I bought one for our son's school library as well as for our home picture book library.

This book is just too good to be true. I was so surprised at the wonderful illustrations that matched the text. The life of Josephine from her childhood intertwined with her adult life. I could not put the book down. Read it and you will be delighted..

Beautiful illustrations and an informative story. This is a book for young children but the author took care not to "dumb down" the text. Appreciated by my whole family!

Love this book. My daughter and I are reading this this week. Beautiful pictures and words. So happy with this purchase.

The story is easy for elementary school students to understand. The illustrations are amazing!
