Old Jews Telling Jokes: 5,000 Years Of Funny Bits And Not-So-Kosher Laughs

Synopsis

Jews have a centuries-old tradition of telling jokes, from the ghettos of Europe to Hollywood and the Catskills. Jewish jokes are entertainment, the oral history of a culture, insightful social criticism, and survival tactic rolled into one. In 2008, Hollywood director and producer Sam Hoffman launched a website called Old Jews Telling Jokes. It's just what it says: Jewish men and women over 60 sharing their favorite stories, tales, riddles, and punchlines. The jokes are funny and reassuringly familiar, each told with gusto and infused with a lifetime of experience. For the audiobook, they are organized into chapters: Jewish Mothers, Food, Rabbis, Husbands and Wives, Sex, Illness and Doctors, Getting Old, Death, Oral Sex. Yes, you read that right. You'll also hear judiciously chosen curses and other off-color language. Things get risquÃ©. So what can you do? Enjoy, and laugh out loud. Explicit Language Warning: You must be 18 years or older to purchase.

Book Information

Audible Audio Edition

Listening Length: 3 hours and 2 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: HighBridge, a division of Recorded Books

ASIN: B004KBPJ9M

Best Sellers Rank: #29 in Books > Audible Audiobooks > Humor > Jokes #136 in Books >

Audible Audiobooks > Religion & Spirituality > Judaism #481 in Books > Humor & Entertainment > Humor > Religion

Customer Reviews

Got this as a gift for my 95 year old grandmother. What a disappointment. This book is so crude and dirty, there is no way I could give it to her for Hannukah. I thought it was going to be warm-hearted and funny. It is not. It is crude, immature and mysognistic. I am no prude but this was just depressing. Old men and their young mistresses, penis jokes, oral sex, gah!!! Not for most audiences including this young woman. Would not recommend. It's not funny. It's gross.

Laughter is the spice of living a great life and staying healthy. My husband, who is Jewish and I

went on vacation with some of his cousins and his sister and her husband. Every day, at breakfast and during the day we would pull this book out and we'd randomly open to a page and read a joke. We would roar with laughter and disrupt the whole restaurant. We did this every day and had the best time together. We gifted each with this book and they took it home with them to share the laughter and the love. Wonderful book that has given much joy and love.

The stories in this book had me laughing for days. I loved telling them to my friends. BEST FUNNY BOOK!

You need to be Jewish to really appreciate this book. Some of these I heard as a kid when our family would get together, and some are from the old Jewish comedians I grew up listening to. If you are not Jewish, these are great that will definitely make you laugh. It just will probably not be a side splitting, Uncle Morris told that one, since you probably didn't grow up with old Jews! Great book!

Before purchasing this book, I read parts in a store and was impressed. Now that I have had the opportunity to read the whole book, I found the jokes on the whole to be original and first rate. I liked the background on the tellers which allowed for a better understanding of how the particular joke developed. I would recommend a leisurely journey through the book, enjoying each joke and sharing it with someone who would also appreciate it,

as an 81 year old product of a Jewish father and a Shiksa mother this collection of oft told anecdotes. These jokes are conveniently arranged by topic. Keep this book by your bedside instead of your spouse. Don't even think of memorizing these nuggets of corn. Dr. Roy suggests a small spoonful taken at least three times daily. As usual beat their mailing deadline.

I'm so enjoying reading the cute jokes in this book. I recommend it, especially in these stressful times, when a laugh or chuckle is most welcome!

Very very funny book. I have not laughed so hard in a long time. This book is worth its weight in gold.
