Coin Folders Half Dollars (Liberty Walking, 1916-36)

Synopsis

Thanks to the Statehood Quarter Program, coin collecting has never been more popular. And to take advantage of this new interest in the hobby, we're giving our complete line of Whitman Classic Coin Folders a beautiful new look.-- Multi-million dollar cover updates for the entire Whitman line!-- True-to-life foil colors reflect and beautifully represent the coins each folder holds -- e.g. Copper foil for Lincoln Cents, Silver foil for Jefferson Nickels.-- Traditional Whitman blue vinyl matches past Whitman products.

Very good.

I bought this particular denomination for my Dad, who is 90 and has a lot of old coins laying around. He said he enjoyed organizing his collection and the folders worked great. I have purchased other denomination folders from and they are all top quality.

This book was indeed what I was looking for but watch out for different versions in other books. For example, Whitman published 2 versions of the state quarter collection one that has slots for both mint marks and one that doesn't. one version requires 3 volumes to fulfill the collection the other only 2. so I bought volume one of the one with three volumes thinking it was volume one of the one

with two and when I got it I was missing about 2 years in slots. I couldn't tell it was different by looking because I thought there was only one volume one and it said "volume one"

Nice folder for all of those extra Walking Liberty Halves, and by buying the 1937-47 folder, you avoid all of the early costly dates (1916-36).

This is a very nice coin book and makes the perfect gift for the coin collector. The product is of great quality and presentation. Glad I ordered.

awesome great loved it works perfect

Just like the Whitman coin folders from when I was a child, good quality, fair price. Excellent option to hold a modest collection in the building stage, until you're ready to move your collection to a better quality folder such as Dansco.

Best choice I made !
