## Synopsis

Gone Fishing presents a humorous look at America's beloved pastime. With his usual flair for exposing the foibles of fanatics, renowned artist Gary Patterson offers comical tongue-in-cheek depictions of fishing and those who think the worst day at the fishing hole beats the best day anywhere else. All the fishermen in your life will be angling for this one.

## Customer Reviews

It was that time of the year again to buy a calendar. But I was bored of my old plain white one, why can't there be one that expresses my love for fishing. Then this gem falls on my lap it shows great pictures of fishing that gives me a warm feeling inside. Also making my haters jealous that they haven't snagged one like this. All in all great calendar would definitely recommend it .

I bought this calendar as a gift for a fellow employee. He liked it very much. Graphics are well done.
