Johannesburg: The Bradt City Guide (Bradt Mini Guide)

Synopsis

The main gateway for tourists to southern Africa, Johannesburg is seldom explored fully by visitors, principally because of a misinformed view of the city. In the past year Johannesburg has made enormous strides in creating a safe, dynamic city which has won two awards from the British Guild of Travel Writers. This pocket-sized guide will give confidence to business and vacation travelers wanting to make the most of a visit to these major sites as well as Johannesburg's other attractions, including excellent museums telling the story of South Africa's turbulent history, markets which sell cheeses and Cape wineland produce, art galleries showcasing local painting, and bohemian cafes which personify the "Rainbow Nation." Features include: *Johannesburg in context: its history and culture*The best markets to buy local crafts including Zulu beadwork*Short trips beyond the city*Clear city maps in color and a language guide

Lizzie Williams is a freelance travel writer who has written several guides on destinations ranging from Turkey to Namibia and numerous articles on African travel published in magazines that include Msafari (Kenya Airways in-flight), Africa Environment and Wildlife, and Travel Africa. She has previously been editor of a travel magazine in Zimbabwe, and was the author of the Bradt guide to Nigeria. She has travelled extensively in Africa, both independently and in her role as overland expedition leader.

Guidebook not very useful. It only has a few segmented maps at the end. Needs info about public

transportation. I left mine in the hotel as nonessential.
