The Golden D6 #1: The Online Hobby Magazine

Synopsis

As part of nostalgic longings, I remember a time when hobby magazines were chock full of modelling tips, painting guides, battle and tactics articles. Not just for one system, but for heaps of them. It was awesome! Ultimately, The Golden D6 has been created to capture and inspire tabletop wargamers' imaginations. There are some amazingly talented individuals out there playing, painting and building scenery and The Golden D6 plans to showcase them all! We hope you will be as inspired and excited as we are!
