# 90 Devotions For Kids (Adventures In Odyssey Books)

## Synopsis

Written by the Adventures in Odyssey team, 90 Devotions for Kids provides fun, Bible-based devotions for families and will encourage children to spend time learning more about God. There are no better mentors than Whit and the folks from Odyssey to partner with parents as they teach their children about God's Word and make the truths of the Bible accessible to their kids. AIO's 90 Devotions for Kids includes thirteen weeks of devotions. Sidebars from Odyssey favorites Wooton, Whit, Connie, and Eugene provide friendly suggestions for life applications. Each week has an individual theme and will include an overview to introduce the theme, seven devotions that reference AIO dramas, and an activity, puzzle, or game to reinforce the core biblical truths taught during the week. Parents will find the tools they need to help start children on a path toward regular time alone with God, and families will be encouraged to spend time together as they share the daily readings.

I really enjoy this devotional for our family (boys ages 11, 9, and 6). With all the different ages and maturity levels that we have in our family I find that this devotional is not too light for the older boys and not over his head for the younger boy. We have also really enjoyed this devotional because we all love Adventures in Odyssey and know all of the characters! It is a great addition to our family devotion time and I highly recommend it to other families.

How can you not love opportunities to keep God in your children's lives?? Gets your kids thinking at an easy level. Opens the door for lots of discussion.

Our kids were getting a little older and needed a little more substance and this is great. We love Adventures in Odyssey cds so this was great to recognize the characters and lessons. Focus on the Family provides great lessons, that are relatable to our worlds.

The kids enjoy the CDs and I thought this would be a good link to the CDs. They enjoy the weekly passage and memorize it and we do devo before they go to school. It's nice as they already know the characters from the CDs and they look forward to hearing the story and using their own Bibles. Fast shipping and a good devo book for school aged children.

We love Adventures in Odyssey and were very excited to see this devotion from them. We love the

format and have been using it as a family to start our days. The kids love the fun input from various Odyssey characters and I love the verse memorization and layout of the book. There are hands-on applications that make it a great resource for parents.

We really loved this devotion book. I plan on keeping it and letting my daughter do it again in another year or so on her own.

The devotionals are designed for kids, but I enjoy reading the thought-provoking pages as well. I used it for my elementary-age summer campers.

At ALL times it's good to teach our children about God. Adventures in Odyssey(Focus on the Family), is a wonderful resource to have. Here @ home we r all addicted to Adventures in Odyssey. We incorporate A.I.O. to our Bible studies, our 13 yr. old son appreciates it, and we love it.
