Roughly translated into English as "Leave Luck to Heaven," the Japanese company Nintendo is the world's largest and most influential video game company. In 1985, Nintendo revolutionized the video game industry with its introduction of the Nintendo Entertainment System game and the Super Mario Brothers game. Nintendo continues to transform the video game industry through its design and product innovations.

This 2016 wall calendar features beautifully drawn artwork from the latest Legend of Zelda games, including Twilight Princess, Skyward Sword, The Wind Waker HD, Phantom Hourglass, Ocarina of Time 3D, Majora's Mask 3D, and A Link Between Worlds. The calendar is very well made with a smooth, glossy feel to the cover and backside. The pages are printed on a high quality material that truly brings out the colorful designs and details in the artwork. The four remaining months in 2015 (September through December) are featured on the first page as smaller, at-a-glance calendars, while each month in 2016 is displayed vividly on two full-sized pages -- the gorgeous artwork on the top page and the days of the week on the bottom page. Additional character artwork is also found on each of the bottom pages as well. Whether you are a die-hard Zelda fan or not, you won't regret picking up this calendar!

My daughter loves all things Zelda, so this calendar was a huge hit with her. I was pleased to discover it was a quality calendar, done in vivid colors and nice paper. Very well made and not some cheap knockoff. The pictures for each month are scenes from the games and there's a whole year calendar for 2015 in the front before all the months start, which is what she's using right now since it's December 2015. If you're a Zelda fan (especially a fan of the N64 versions) you'll love it.

I normally buy some type of Nintendo calander and since I was not a fan of this years Mario Bros calander I decided to give this one a try. I require a calander that has squares big enough to write down dates/apointments in so this fit the bill well. The art is fantastic, really beautiful to look at. The quality of the paper the calander is printed on is solid also, zero complaints.

Every Zelda Calendar is worth having it hanging in the wall. This my third consecutive time buying those calendars and I'm always satisfied.

High quality and clear, colorful images

Great stocking stuffer for our Zelda lover!

Bought this as a collector item. Very well done and beautiful.

I buy this calendar every year. It's a must for a serious Legend of Zelda fan! My only complaint is that the backgrounds look very plain. Adding Legend of Zelda themed backgrounds to the months would make it look much better.
