The Book Of Giants: The Watchers, Nephilim, And The Book Of Enoch

Synopsis

Among the first seven scrolls discovered in the caves of Qumran at the Dead Sea is a scroll given the name, "The Book of Giants." It is thought to have been based on the Book of Enoch, a pseudepigraphical Jewish work from the 3rd century BCE. The Book of Giants, like the Book of Enoch, concerns itself with the Nephilim, which are the offspring of fallen angels, who are called the Watchers. Two main versions of the text exist. The Dead Sea version is written in Aramaic. Another version has been found written in middle Persian, adapted from the Aramaic to fit into the Manichean religion. Both versions will be examined. Following theories speculating that the Book of Giants was once part of the Book of Enoch, we will attempt to place the two texts back together to render the complete story of the Watchers and the Nephilim. We will discover the history and contributions of these ancient scrolls and look carefully at their content and meaning. Throughout the combined texts of the Book of Giants and the Book of Enoch we will examine all the biblical and apocryphal references and parallels within the text. The result is an in-depth and panoramic view of the Angels, the Watchers, and the Nephilim, and how one of the giants of the Nephilim race may have survived the flood intended to cleanse the Earth of their horror.

Book Information

Paperback: 222 pages

Publisher: Fifth Estate, Incorporated (November 12, 2014)

Language: English

ISBN-10: 1936533499

ISBN-13: 978-1936533497

Product Dimensions: 6 x 0.5 x 9 inches

Shipping Weight: 13.9 ounces (View shipping rates and policies)

Joseph Lumpkin has a long and varied background in research and writing. He worked in research and development within the U.S. Department of Defense for many years. Major projects included Hypersonic Missile Technology and Computer Clustering for Super Computers. In addition to his

background in science, computers, and research, Joseph has a Doctorate of Ministry and has acted as chaplain to several outreach programs. He has written for various newspapers and has authored over two dozen books on subjects of theology, religion, history of Christianity, and philosophy. Dr. Lumpkin has appeared on Radio, Television, and Internet shows as a guest speaker on subjects of Fallen Angels, Church History, Religion, Theology, The Sacred Feminine, and the Axial Age. Shows include L.A. Talk Radio, Rainmaking Time, Cryptic Knowledge, and Threshing Floor Radio. Access shows via <http://www.fifthestatepub.com>

If you are into conspiracy theory this book is very informative and a good read. In some spots it gets a bit dry but still a good book.

Really fascinating!

very interesting, good read. fresh new perspective on the bible that is greatly appreciated.

This book explains many Biblical paradoxes for me and the apparent differences between the God of the Old and New Testaments.

This book is fantastic! Two thumbs way up! If you're Utopia about Hiant's than you'll love it!!

Where the Bible just touches on these subjects, these books go into great detail and understanding of what was and what went on in those days.. kinda resembles what's going on in the world today. Great Read, glad I bought these books!!

Just what I was looking for.

For many years, I have wondered about the biblical giants and how they came to be and was curious about the book not included in the King James Bible, the book of Enoch. This book has given me much better understanding.
