Happy follower for a long time

A great reference book, too. So well worth having a copy for study and posing questions for others. My book was in very good shape, as well.

Great buy

A "must read" book for anyone wanting to make their life worth living. Billy Graham's inspirational wisdom is presented in a logical and easily understandable manner. Mr. Graham's insight into man's relationship with God shows us how uncomplicated God really is. Any evidence that society may need as proof that there is a God, or a better way of living life, is in Mr. Graham himself. Billy Graham doesn't just write or talk the words, he lives them. Living by example is the greatest testimony of true faith that a man can give.

Throughout my life, Billy Graham has always been the sensible voice of the Christian faith. This book is a collection of his best writings. The beauty of his writing is in the clear-headed logic and strong references to the Bible. Graham brings the words of the Bible straight into the 21st century, applying the wisdom of the Bible to modern day issues.

This book was the big eye opener for me back in 1977. It helped me understand there was a personal God who loved me and would forgive me for keeps.
