Customer Reviews

I love these books. They are entertaining for children and adults at the same time. I have started buying the series for my granddaughter who will be five in May. If you are reading them to a child you will enjoy them as well. Yeah! Hank!

These books are great for kids and adults!

Hank is great! Product as described!

Funny read

These are my Son's first BIG BOY books. Although I still have to read to him at night, he actually

sits still and listens while I read these to him. We read about a chapter per night! :)

The books arrived I st in time for a birthday gift and he loves them!

this completes my set

Very pleased!
