2011 Standard Catalog Of Baseball Cards (Standard Catalog Of Vintage Baseball Cards)

Synopsis

Real-World Pricing for More Than One Million Cards
Standard Catalog of (R) Baseball Cards is not only the longest-running and most trusted large-format baseball card price guide, it's the most comprehensive fact and photo-filled guide in the collecting game. The depth of coverage and ease of use of this book makes it the premier choice, whether you're a seasoned veteran of card collecting or a rookie just getting into the hobby. You get accurate pricing, reflective of real-world market values for more than one million cards, plus 10,000 photos in this top-selling reference. In the pages of this mammoth guide you'll find listings for cards, including Tobacco and Bubble Gum cards and Specialty Issues, released between 1863-2010 and minor league listings. Nothing comes close to the depth of details and completeness of coverage you gain with this go-to guide. Use it to be an informed, competitive and confident collector, buyer, and seller of baseball cards from the past and present.

For nearly 30 years, the name Bob Lemke has been synonymous with the unbelievably comprehensive Krause Publications' Standard Catalog of Baseball Cards, the bible of card collectors across the country. Lemke is the founding editor of the Standard Catalog of Baseball Cards and has remained in that capacity, with the exception of two years, for the Standard Catalog's tenure. He also served as publisher, editor, columnist and more with Sports Collectors Digest and a

number of other titles.

Great product, fast shipping

I was a relative novice at baseball card collecting - i collected for several years in the past, and then stored the cards away to see if their value would grow over time. With this book, i was able to find 99% of my card values from the 1980's and 1990's. There are several indexes in the back of it to assist with searches. I recommend it. I even got this book for only a few dollars from the "used" section, although it was mark-free!

I bought this book to price out a collection of cards. Only complaint I have is trying to find the brand card in the book.

With all the info in the book, wish the printing was in larger print but that isn't the sellers problem. The article was in great condition and didn't take much time to arrive. Better than used ones in local Card Shp and cheaper too, plus he didn't have any on hand. Gave this seller a 5 Star because it was more than expected.

Excellent condition and happy to find

Perfect!

Bob Lemke and the SCD crew are the best at what they do. This book is the Holy Bible for baseball card collectors everywhere. [...]

I like this catalog much better than Becketts. It seems to have many more listings, however it still doesn't go all the way up through 2010.
