Customer Reviews

If they had a 6 that would be great. BEST resource in my library

The way that the chapters are set up make learning easier i.e., the paragraph with questions right after, followed by new vocabulary.

great Tool

This is a very useful book which will help you begin to speak Italian. It is also a fun book and the dialogues are great to do with someone else to help pronunciation. It doesn't do much for your knowledge of grammar but there are plenty of books for that. Viva il libro. EWF
