Customer Reviews

Nanatsuki Takafumi is a Japanese manga-ka best known as the author of *Shomin Sample: I Was Abducted by an Elite All-Girls School as a Sample Commoner*. Risumai is a Japanese manga-ka best known as the artist of *Shomin Sample: I Was Abducted by an Elite All-Girls School as a Sample Commoner*.

The fifth volume of *Shomin Sample* proves to be a solid and enjoyable one. We start out with a tale of Eri, Kimito's voice actress girlfriend from the days before he found himself the sample commoner at a private school. Despite her somewhat glamorous life, she misses him but her reasons make one think Kimito is probably better off where he is. Kimito gets the ladies of his circle interested in astrology and they get caught up in it, particularly with what the astrologers have to say about their romantic hopes. He spends some quality time with Karen and Hakua. We meet Karen's little sister Miyabi as well as Hakua's support staff, both of whom create interesting situations for Kimito. Finally, Reiko and her tea party group look at a forbidden text, feeling it would do Reiko good if she and Kimito marry and she has to become familiar with intimate matters. If you've ever looked at a

book that often runs afoul of censors and has a hot reputation and found yourself thinking "you mean that's it?", you have an idea of what follows. Shomin Sample may not quite be the equal of Hana Kimi or Ouran High School Host Club, but it is a very fun and sometimes risqué private school comedy.

THE 2ND VOLUME OF THIS FAN SERVICE SHOMIN MANGA IS EVEN BETTER THAN THE FIRST.THERE ARE MORE GIRLS MORE SITUATIONS AND ALL THEFAN SERVICE YOU COULD HOPE FOR.

Keeps getting funnier. Great art. Mature themes.

Excellent I love the story
