This coloring book is a bit smaller than I expected it to be. It is about half the size of a normal coloring book. I did not read the description though, I just ordered it. I found a coupon on the coupon page for "Color Yuletide Coloring Book: Perfectly Portable Pages (On-the-Go Coloring Book)" and saved \$3.00 so I only paid \$1.99 for it. I believe it is well worth the price. It has an area with a scripture verse or a Christmas quote on the left with space to journal my thoughts for that day or that quote, and on the other side it has a picture to color. I got this for me but I am going to encourage my son to journal in it because he doesn't like to write and this may help him to enjoy writing.

I should have paid more attention to the product details - this thing is about the size of a trade paperback book, NOT a full-size coloring book at all. Normally I wouldn't take away stars for something that was my mistake, but in this case, I find the designs to be too juvenile for adults, and too complicated for children. Pages are printed with designs on one side only, and a seasonal quotation on the reverse. Perforated so you can tear them out to facilitate coloring, which is good because the small size makes it nearly impossible to enjoy coloring inside the book itself. However, the perforations are so close to the binding, it's also nearly impossible to tear them out cleanly. Overall disappointed and not what I was expecting at all.

Great travel book. Love all the images and paper

Nice for a little something extra for a gift

This little coloring book is awesome
