Customer Reviews

I have gone through the SHRM-CP Exam Flashcard purchased from your organization a couple of weeks ago and I must confess that it is indeed, money well spent! It is a MUST for anyone wishing to write the SHRM-CP exams to grab a copy. The Flashcards are well detailed and thoroughly prepared to cover every content of the SHRM-CP exams. The most interesting thing about it is the ease and simplicity in reading the Flashcards. Moreso, it is easier to carry about and read anywhere. Without any reservation, I recommend this Flashcard to ALL. Thank you greatly for this wonderful book!

These flashcards offer a lot of information, which is a great thing. The one thing I wish was that the flashcards were laminated because them being made out of paper can get destroyed so easily, especially on the go. Besides that these flashcards offer a wide variety of great information that should help me on taking my SHRM-CP exam soon.

Item arrived as specified. I be ordering product again because one of my HR reps loved the cards.

These tools are very easy to navigate and are helping a lot.

still reading

seems very comprehensive based on my initial review

This is great

I really like this product. Normally I use flashcards when I study so to have them already put

together is a great benefit. I truly think this product will help me pass the test. Additionally, I like that the flashcards are divided by subject - People, Organization, Workplace and Strategy. This helps prioritize where I need to study.
