HESI Comprehensive Review For The NCLEX-RN Examination - Elsevier EBook On Intel Education Study (Retail Access Card), 4e

Synopsis

Prepare for success on your HESI exit exam and the NCLEX-RN®! HESI Comprehensive Review for the NCLEX-RN® Examination, 4th Edition provides a comprehensive, all-in-one review of the information you need to know. Written in an easy-to-read outline format, this study tool breaks down chapters by clinical areas and concepts emphasized on the NCLEX-RN exam. Rationales are provided for any incorrect answers or areas of weakness. The companion Evolve website offers approximately 700 practice questions, giving you valuable practice in the same electronic testing format you will experience on your nursing school exit exam and on the NCLEX-RN exam. HESI Hint boxes highlight important clinical information and concepts commonly tested on the NCLEX-RN exam. Critical thinking study questions reinforce key concepts and content, and also include answer guidelines. Updated content reflects the 2013 NCLEX-RN test plan. New! More test questions have been added, bringing the total to approximately 700 questions on the companion Evolve website. New fill-in-the-blank and prioritizing questions mirror the new alternate item format item types included on the NCLEX-RN exam.

Customer Reviews

I highly recommend for a RN nursing student, however a LPN/ LVN student can benefit for this book as well! I also recommend for someone getting ready to take their boards and wants a overview refresher. I was expecting a thick NCLEX book, its fairly thin compared to my other NCLEX RN books. Don't be concerned with the size because the book is AWESOME!!! One of the best

investments I have made in my education, I can not communicate how great the book is. It tells you what causes disorder, the signs and symptoms, the assessment, the evaluation, drug therapies, and surgeries etc. etc. Just a good book

BUY THIS FOR THE HESI TESTS EACH SEMESTER! I purchased this book for my block 1 hesi and got a very high score. I would also recommend purchasing the Saunders book. I read this book, then read the corresponding chapter in the Saunders book and answered the questions at the end of the Saunders book. I would purchase both new because they have question banks online.

Great review book. Very clear and easy to understand. Love the hesi tips

This book and its practice questions helped me pass my Exit Hesi Exam. My friend had the newer version of the book and ended up using mine instead. She preferred this over the newer version.

Didn't take the NCLEX but I thought it was a useful review!

Helped me pass the Hesi!

Very helpful. Comes with an online study guide and practice questions. I ended up with a 900 score on my midcurricular HESI! Am very grateful for this book!!

Well I passed the HESI... the book itself is badly formatted (mainly bullet-points) and weirdly categorized. Also, this is now an old version- get the red one.
