27 Things To Do On Maui: Ideas To Make A Great Maui Vacation (27 Things To Do.... Book 1)

Synopsis

The cover says 27 things to do on Maui. Why 27? Because I originally only wanted to do 25. But due to the fact that there's just so much to do, I kept going for a couple more. It could easily be a list of 1,027 travel tips but you probably don't have the 3 years vacation needed to see and do all of them. This travel guide takes a fun and interesting look at some of the most popular and not-so-popular places to see and do on Maui. From the moment the wheels touch down at the airport, to the sunrise at Haleakala, to the ranches of upcountry, you're in for a great list of suggestions. Anyone lucky enough that has already visited the beautiful Hawaiian island of Maui, will most likely say only great things about it. The moment you step off the airplane you know you're in the rarefied air of paradise. The scents, sounds and visual beauty of the island is captivating. Come along for a ride and hear about first hand suggestions of various places to see and things to do on Maui. You'll be sure to love it. If you're planning a trip and visit any of these places, I'd love to hear about it. Aloha and Mahalo - Paul

Customer Reviews

If you are looking for suggestions like... take something out of the mini fridge at your hotel and enjoy it...then you are in for a treat. This is not too inspired and could have been written by anyone looking to sell a short article.

I've been to Maui a couple times and got this book for my kids who haven't gone. Found a few things to do that we haven't done yet: drive around the north side, spend time at Iao Valley, hit a winery.
