# The Wild World Of Betty Page: An Anthology Of Classic Fetish Photography (Klaw Klassix)

## Synopsis

Irving Klaw was the legendary New York-based mail order merchant who from 1949 onwards produced thousands of films, photographic sets and printed booklets based on themes of fetishism, bondage, and sado-masochism. Although Klaw's most enduring artistic legacy arguably lies in his pioneering publishing work in the field of bondage illustration, he will always be best-known for his discovery and promotion of the iconic bondage model who went on to be famous throughout the cool world -- Betty Page. Through thousands of BDSM-themed photographs, as well as numerous short films, Page would become not only the superstar of the Klaw catalogue but, retrospectively, the most iconic fetish model of all time. THE WILD WORLD OF BETTY PAGE gathers together 80 classic photographs of Page, never before published in a single volume, which cover almost every aspect of her modelling work with Klaw. From sexy pin-ups in lingerie and fetish-wear to more intense scenes of sado-masochism, bondage, spanking and cat-fights, this anthology presents the essential Betty Page. The photographs selected also feature many of Klaw's other regular bondage models.

## Customer Reviews

Stephen Pentacoste is a collector of vintage pop culture and erotica.

This work is essentially just a very nice collection of photographs of the one and only Betty Page.

The only text is in the 4 paragraph Foreword, which says:"[TWWOBP] gathers together 80 classic photographs of Page, never before published in a single volume, which cover almost every aspect of her modelling work with [Irving] Klaw. From sexy pin-ups in lingerie and fetish-wear to more intense scenes of sado-masochism, bondage, spanking and cat-fights, this anthology presents the essential Betty Page." Of course, given the 1950s period, these "scenes" are rather tame compared to what is readily available today, and seem almost quaint as "BDSM". Often more damsel in distress, and sometimes with a smile or other feature exhibiting a playful quality. But if you love Betty Page, and who doesn't, then this is a great work for you. The photographs are well presented. Most are either full page or larger. Though all are B&W. There is NO NUDITY. There are no captions or text on the pages. The only markings are the letters and/or numbers on the photographs themselves, so the collector can tell if s/he has seen these specific photographs elsewhere and compare them to others in the same shoot that may be collected in other anthologies. This is a must-have for anyone who appreciates the classic work of Irving Klaw and the classic looks of Betty Page.

Very nice book. Shipped very quickly. Thanks.

Amazing photos.

I gave it one star since they can't even spell Bettie Page's name right.
