My daughter loves Pinkalicious and we enjoy reading the books to her. She was pleased to read a new book and one about Fall, which was the focus at school too - perfect timing. Similarly to several of the Pinkalicious books, this one encourages sharing and thinking of others, which is a theme I appreciate.

We love Pinkalicious. We have all her books and my granddaughter loves them.

Our 3 year old daughter loves this series. She asks for apples, apples, apples every night before bedtime!

Great story, my daughter loved the sticker page

Another happy store...well illustrated!!!

My daughter loves Pinkalicious, and this book is no different! I love that they have books to go with the time of year, and now that it's apple picking season, this book is perfect!
