Television Production Handbook (Wadsworth Series In Broadcast And Production)

Synopsis

In Herbert Zettl's field-defining text TELEVISION PRODUCTION HANDBOOK, the author emphasizes how production proceeds in the digital age -- from idea to image -- and how it moves through the three major phases, from preproduction to production to postproduction. In this context, you will learn about the necessary tools, examine what they can and cannot do, and explore how they are used to ensure maximum efficiency and effectiveness. This edition also features the latest digital equipment and production techniques, including HDV and HDTV.

Herbert Zettl is a professor emeritus of the Broadcast and Electronic Communication Arts Department at San Francisco State University (SFSU), where he led the Institute of International Media Communication and received the California State Legislature Distinguished Teaching Award and the Broadcast Education Association's Distinguished Education Service Award. Prior to joining the SFSU faculty, Zettl worked at KOVR (Stockton-Sacramento) and as a producer-director at KPIX, the CBS affiliate in San Francisco, where he participated in a variety of CBS and NBC network television productions. Because of his outstanding contributions to the television profession, Zettl was elected to the prestigious Silver Circle of the National Academy of Television Arts and Sciences, Northern California Chapter. He is also a member of the Broadcast Legends of the NATAS Northern California Chapter. Lecturing extensively at universities and professional broadcast institutions both in the United States and abroad, Zettl has presented key papers at a

variety of national and international communication conventions. He is the author of VIDEO BASICS, TELEVISION PRODUCTION HANDBOOK and SIGHT SOUND MOTION, which are translated into several languages and published internationally. His numerous articles on television production and media aesthetics have appeared in major media journals worldwide, and he also developed an interactive DVD-ROM -- Zettl's VideoLab 4.0 (Cengage Learning). His previous CD-ROM version won several prominent awards, including the Macromedia People's Choice Award, the New Media Invision Gold Medal for Higher Education, and Invision Silver Medals in the categories of Continuing Education and Use of Video.

Delivered exactly as promised and ordered

Product okay with some wear and tear, delivered on time. Some content may seem rather dated...
Not much else to say, it's another used textbook :))

fast shipping book as expected! thanks

Book needs to be simplified

Always handy!
