Panther on the Battlefield 2 World War Two Photobook

Anyone who is familiar with the Panzerwrecks series of photo books will really enjoy this series of books from Hungary. Highly recommended.

Good book on the German Panther tanks with a lot of photos

This book presents a very interesting collection of historical war photos for the Panther Tank buff. The detailed descriptions provided by the author only enriches the narration provided for each scene.

Great pics of battlefield armor for history buffs.

Great companion to the first book.

If you are interested in all things WWII this is a nice book have.

Another great photo collection. Most never before published.
