Synopsis

How To Read People And Master Human Psychology In Less Than One Day
Body Language, People Skills, Human Mind
Analyzing people can change your life. Knowing why people do what they do, feel the way they feel, and act the way they act will give you an advantage worth its weight in gold. Our world is full of social interactions, personal interactions, and public interactions, these interactions shape our past, present, and future. Learning to interpret these interactions will give you the power to achieve, excel, and live life to the fullest. Miscommunication, misunderstanding, and over-reaction, are just a few of the ways we sabotage our own happiness. Those of us with stellar social skills seem to have an easier time when it comes to promotions, romantic relationships, friendships, and just about every other aspect of life. If you want to go through life with ease and achieve your dreams, this book will teach you how. Here is a preview of what you'll learn: how to analyze the human mind effectively. read body language and non-verbal communication. understand social cues and develop people skills. understand human psychology in one day. and much more.
