Customer Reviews

My grandson is a kindergarten student who has apraxia. He had a lot of speech problems but books like "The World of Reading" has helped him greatly. This is great series for a youth with fondness for Avengers and Justice League figures. After years of playing with the figures it was the perfect entry to the reading.

These level one Avengers books are perfect introductory books for preschools. They explain who the super hero is, how they got their power and are a quick, fun, easy read for beginners.

Beautiful illustrations and a great book to start for beginning readers

Great book, my 3 yr old grandson loves it but so does my 6 yr old nephew so it is good for kids of the age range of 3-6 yrs. Great purchase.

Easy words, lots of muscles. My son is enjoying this little book. There could be more of Hulk saving the day like in the tv series.

Awesome!

grand kids love it
