Customer Reviews

We took a trip to Portugal in the past year and simply loved the food that we ate while there. One of the things that we enjoyed the most was their desserts and were anxious to have some more of those delightful foods at home. Author Rui Alberto has made it possible for us to create some of these wonderful treats in the comfort of our home with her great book. These 21 recipes are easy to follow and are all very well explained. We love the Maladasas and the Leite Cream and are planning to try the Sonhos next. Great recipe book.

Not good
The best recipe books have photos. Particularly with deserts and cakes
Therefore very disappointed
Interesting names but no way to recognize in a restaurant or bakery
