Yearbook Of Forest Products (FAO Yearbook: Forest Products)

Synopsis

The 55th edition of this yearbook contains data for all countries and territories of the world relating to the production and trade in forest products for the years 1997-2001, and on the direction of trade in 2000 and 2001. The text is written in English, Arabic and Chinese. The data is based primarily on information provided by individual countries through questionnaires or official publications and in the absence of official data FAO estimates are given.

Book Information
