Sun Bear, a sacred teacher of Chippewa descent, is the founder and medicine chief of the Bear Tribe, a multiracial educational society. He is a world-renowned lecturer and teacher and the author or coauthor of eight books. He is publisher of the magazine Wildfire and founder of the World Earth Fund.

Well written, plenty of good, thought-provoking insights. Easy to read and digest, but it does take mental effort and reflection.

This book helped me out a lot.

This is a book that touched my heart and gave me hope that I could walk in balance to. Thank You for writing the book Sun Bear, Crysallis Mulligan, Peter Nufer and Wabun.

informative

What a great read. So much wisdom and, even though it is older, it has so much to offer.

Comprehensive list of healing herbs, tips and hints...a wonderful resource you will reach for again and again, and Sun Bear's direct, thoughtful style will really draw you in, from the start. A keeper. A forever book.
