Summary: Small Great Things: A Novel By Jodi Picoult

Synopsis

Small Great Things by Jodi Picoult | Book Summary | Readtrepreneur (Disclaimer: This is NOT the original book. If you're looking for the original book, search this link: <http://amzn.to/2rfzC7Q>) Who would have thought that the discrimination of a black woman could lead to so many tragedies unfolding? This book *Small Great Things* tells the story of Ruth, a discriminated black woman from the perspectives of the main characters Turk, Kennedy and Ruth herself. Ruth was relieved from her duties as a delivery nurse because of her skin colour by a White Supremacist father. The baby she was supposed to attend to died while Ruth was alone with the baby in the nursery and this led to a court case that would teach us lessons about empathy, forgiveness and love. (Note: This summary is wholly written and published by readtrepreneur.com. It is not affiliated with the original author in any way.) "Some lessons can't be taught. They simply have to be learned." Jodi Picoult This incident has not only affected Ruth's life but also the people around her, especially her son, Edison. However, with empathy, forgiveness and love, all things can heal. Racism comes in many forms; active racism, passive racism and even when we are being overly nice to the minority groups. P.S. *Small Great Things* is an important novel that not only sheds light on discrimination that people of colour face but also teaches us important values in life that we must keep close to our hearts. Customer Reviews

Many books are far too fluffy and lengthy. That is why Billionaire Mind Publishing exists. Billionaire Mind Publishing aims to provide you with the most cost effective and time efficient summaries. In our professionally done up books, we only provide you crucial information regarding the books and all other unessential information and fluff are removed to save your time. With just a coffee price of \$2.99, indulge in an enriching and fulfilling read which will expand your awareness, knowledge and wisdom. Read less, pay less, earn more and achieve more. Get a copy of Billionaire Mind Publishing summary right away! --This text refers to an out of print or unavailable edition of this title.

I enjoyed this book very much. Actually, it is a summary of a novel as the title of the book claims. I recommend this book to you on the quality basis.

I ordered this by mistake - really wanted the novel. However, it will prepare me for book club discussions. In the meantime I ordered the book.

The book tells the basic story. It gives a brief description of the main characters and events. However in order to get the full emotional impact, read the entire book. One suggestion: there are grammatical mistakes and misspelled words that should be fixed.

It had me understand this book.

Terrifically disappointing ! Jodie P. is capable of better work.

no summary can compare with reading the complete book.

Poorly written. Many errors - not worth buying.

Excellent service
