The Norton Anthology Of American Literature: Shorter Version

Synopsis

"From the inception of The Norton Anthology of American Literature, three goals have been paramount: first, to present a variety of works rich and substantial enough to enable teachers to build their own courses according to their own ideals; second, to make the anthology self-sufficient by featuring many works in their entirety and longer selections so that individual authors can be covered in depth; and third, to balance traditional interests with developing critical concerns."#151;Nina Baym, General Editor, from the Preface Now in its Sixth Edition, The Norton Anthology of American Literature remains the enduring market leader. The new Shorter Sixth Edition shares with its parent volumes the commitment to broadening the canon while maintaining a representative balance of American literature. Thoroughly revised and tailored especially to the one-semester course, the Shorter Sixth Edition builds on the classroom strengths of flexibility, depth, and balance in a strong revision.

Customer Reviews

very please time was great

Did the job for my class

Great- this book arrived on time and was in the condition that was stated. I am very happy with this book.

the previous review stated I didn't receive product, I made a mistake that was for a different book. this one arrived in poor condition a broken spine, torn cover very worn, not a fair quality as described but poor quality.

Textbook as described, good shape, no marks or highlights. Quick delivery and good price, thanks! Purchased for class, but really enjoy some of the readings, great collection of authors.

I was very disappointed in the condition of this book. It was listed in excellent condition with minimal writing on the outside of the book. Not only was there writing on the outside but there was excessive writing inside the book as well. My daughter was unable to use it for her high school english class and I had to purchase another book. I emailed the seller and he did not reply. Although my investment of around \$14.00 was not huge, it was still money down the drain! I would not buy from this seller again.
