Darkly Fae: The Moraine Cycle

Synopsis

When magic and war collide, a world hangs in the balance. Beyond the edge of human sight, protected by dark forces that drive away the uninvited, lies a magical realm on the brink of war. As the fae of the once-powerful Clan Moraine fight to maintain a fragile peace, a traitor conspires to destroy them from within. Desperate times call for unlikely alliances. A high prince carrying the weight of a kingdom and a young writer with special abilities. A proud princess with dangerous secrets and a loyal soldier bent on revenge. A fierce warrior with an impossible dream and a carefree seer who takes nothing seriously. A not-so-human girl with unprecedented powers and a loyal warrior haunted by his past. A stubborn guard brave enough to face the darkness and a broken prince trapped in nightmares. Together, they will risk everything to stop the return of a long-forbidden magic that could tear their entire world apart. And along the way they might just find more than they ever hoped for: friendship, hope, andâ "most of allâ "love. Step through the veil and into a quintet of magical romantic adventures.

Best Sellers Rank: #211,227 in Books (See Top 100 in Books) #13 inÂ Books > Teens > Science Fiction & Fantasy > Fantasy > Fairy Tales & Folklore > Anthologies

Customer Reviews

Tera Lynn Childs has never met a fae in real life, but sheâ™s visited their world countless times in books and dreams. Whether itâ™s the mythological realm of Oh. My. Gods. and Sweet Venom or the mermaid kingdoms of Forgive My Fins, she prefers her stories with a scoop of magic on top. She lives among the cacti, scorpions, and desert fae in Las Vegas. When not searching for the veil or cooking up tasty vegan treats, she spends her time writing wherever she can find a comfy chair and a steady stream of caffeinated beverages. Find her online at teralynnchilds.com.

I love Tera Lynn Childs' books when they are about the supernatural. She is one of my favorite writers.

Simple stories, more like chapters of one book than a series. Romance is predictable. Nice visit to the fae world, nothing deep or detailed. Light summer reading if you like urban fantasy.
