# The Organist's Library, Volume 50

## Synopsis

Whether you are adding another volume to your collection or just starting your library, this set of moderately challenging classics, hymn fantasies, and choral preludes, reprinted from "The Organ Portfolio," is a must-have for every church organist. Ninety-six pages and spiral bound, the music is printed on three staves in an upright format with registrations provided for all organs. Durations are also included to aid programming decisions.

## Customer Reviews

Good collection of pieces for pianists who serve as organists, but have limited pedal skills. These pieces require only easy to moderate pedal technique, but still sound interesting. I have two different volumes, and both are full of usable pieces.
