# Suicide: Teens Talk To Teens (Self-Counsel)

## Synopsis

Teenagers who commit or attempt suicide do not fall into any particular class, racial, or gender group - they can be anyone, from anywhere. Marion Crook gathered together a diverse group of young people, who had all attempted suicide, in an effort to discover more about their individual motives. After speaking with them at length, and on a one-to-one basis, she compiled this compelling book designed to be read by anyone who has thought about, or knows someone who has contemplated suicide.
