Customer Reviews

The title says it all. Tracy shows you how to use these varied techniques to add interest, depth and excitement to your fiber projects. I personally love her coiled and standing wool projects. The instructions are all in the book and I can't wait to get started. But then I flip the page to a shirred project and I am smitten again. And mixed techniques, too. Tracy also includes a gallery of incredible work by other fiber artists. These photos are sure to inspire you. I love this book! (Karen Larsen, Crow's Foot Farm Designs, LLC)

Tracy Jamar has had a long, varied career in the fields of antique and contemporary fiber arts. She was head of textile restoration in a premier gallery in NYC. An accomplished textile artist herself, she is currently exhibiting her work at venues around the country. She teaches, lectures, and consults on a wide range of textile topics. She is the author (with Jan Whitlock) of *American Sewn Rugs: Their History with Exceptional Examples*. She lives in New York City and can be found online

Love this book! Lots of new and old twists on rug hooking! Would buy again!

Very interesting methods to employ with wool fabric and nicely illustrated.

accurate description, speedy delivery, and new and explained interesting techniques

I love this book. It was written by a friend and some of my work is featured in it!

Fabulous book!! Learned so many things to use on my current projects.....

Great book with lots of ideas!

Love this book

It's a beautiful book for artists and those that appreciate fine crafts. It's motivating for all levels.
